

**STORZ**<sup>®</sup>  
Ophthalmic Instruments  
by Bausch + Lomb

# Instrumentation Services

Maintenance, Design, Repair, Education

# DELIVERING RELIABLE QUALITY FOR OVER 120 YEARS

For over 120 years the name Storz® has stood for excellence in ophthalmic, ENT, and plastic surgery instrumentation. Our master craftsmen, each with decades of hands-on experience, fashion every instrument in our comprehensive portfolio by hand with meticulous precision and attention to detail. We are proud to stand behind our instruments and guarantee quality you can trust for all your surgical procedures.

## PREVENTATIVE MAINTENANCE PROGRAM

All surgical instruments require regular care and maintenance. Our experienced team is uniquely qualified to help maintain and keep your instruments functioning optimally. Send us your complete instrument trays for:

- + Inventory and cross-referencing
- + Proprietary cleaning and restoration process
- + Standard adjustments for “like-new” conditioning
- + Assess and identify any instrument condition, cleaning, or sterilization issues
- + Assess and recommend necessary repairs and/or proper storage

Repair Department **(800) 658-4751**  
or contact your sales representative directly.

\*Preventive maintenance not available for diamond knives, endoscopes, tonometers, I/A tips and handpieces, algebrushes  
Pricing does not include shipping costs or necessary repair fees.

## EDUCATION

We are proud to offer educational programs that provide you with continuing education credits approved by AORN, CBSPD and IAHCMM.

### **Effective Management of Surgical Instruments:**

Learn the required steps to properly maintain surgical instrumentation including cleaning, lubrication, sterilization preparation, sterilization, and storage. Master problem-solving techniques and special handling requirements for microsurgical instrumentation such as vitreoretinal instruments and diamond knives.

### **Utilization of Ophthalmic Surgical Instruments:**

Grow your understanding of ophthalmic surgical instrumentation, including learning about naming conventions and how to identify the categories of ophthalmic instruments. Learn to recognize qualities that differentiate instruments of the same type, and the characteristics of various types of materials used in the production of surgical instruments.

Visit [www.StorzEye.com](http://www.StorzEye.com) or contact your sales representative to learn more.

## CUSTOM DESIGN

Turn your great idea into a reality. Partner with our experienced design team to create an instrument that satisfies your unique surgical needs. Our engineers and craftsmen can help modify an existing instrument or create a completely new design for you.

Contact us at **(800) 658-4751** to get started.

## CROSS REFERENCE SERVICE

Our cross-reference service is designed to ensure that you have only the highest quality on your instrument trays. We can help you convert a competitive pattern to the premium quality and value of Storz.

Visit [www.StorzEye.com/partners](http://www.StorzEye.com/partners) for our convenient cross-reference tool or contact your sales representative.

## RESIDENT DISCOUNT

We offer discounts to current or graduating fellows within the first 90 days of graduation.

- + 40% off orders up to \$5,000 (list price)
- + 30% off additional order value over \$5,000 (list price)

Resident or Fellow must present documentation demonstrating their status. Program only offered to customers living and practicing in the US. Discounts apply only to instruments purchased for the Resident or Fellow's own use.

Discount can be used with any order for Bausch + Lomb Storz ophthalmic instrument or single use instrument purchase. Limit one offer per customer. Discount can be cancelled at any time without notice. Offer good for Residents and Fellows living and practicing in the US only. Discount applies only to products purchased for the Resident's or Fellow's own use. Customer acknowledges that this certificate provides for a discount or price reduction which is allocated to the purchased products. Customer agrees that it is solely responsible for properly disclosing and appropriately allocating any discounts and price reductions in any claims filed or reports submitted under Medicare, Medicaid or any other federal, state or private healthcare program which provides for reimbursement to Customer for the products and to retain and make such information available as required by applicable law.
